

Today's MECCANO

This Meccano Set has been designed to give many years of pleasure and has been made to the traditional standards always associated with the name Meccano.

Occasionally, however, one or two parts are unavoidably omitted from a set and, as this cannot always be detected, we will replace any found missing when a new set is first opened.

Just complete the coupon overleaf and return it to the address shown.

REPLACEMENT OF MISSING PARTS

This new set is a (quote the description on the box lid).
It was purchased from:

Name:

Address:
.....
