

Boys! Build your own Model Aeroplanes

The New Meccano Aeroplane Constructor Outfits

Boys, these Aeroplane Outfits are great! They enable you to build wonderful models of aeroplanes, the most realistic you ever saw.

Complete instructions are included in each Outfit showing how to build a number of different types of machines, both monoplanes and biplanes. Many other splendid models may be built by varying the positions of the parts, which are all interchangeable on the famous Meccano principle. These parts can be used in conjunction with the standard Meccano parts.

If you want to know something about aeronautics buy an Outfit to-day. Your dealer will be pleased to give you full particulars.

Longer Runs— Heavier Loads

Hornby Trains are the best that you can buy. The Locomotives are built for heavy loads and long runs; the Rolling Stock is strong and durable; the Accessories are realistic and correct in proportion, while every part is made of the finest material by British craftsmen.

It will be a great moment in your life when you have a Hornby Train, and are able to play the great game of railways. Nothing could give you greater pleasure.

Tell Dad what you think of these fine models of modern engines and rolling stock. Tell him what every boy knows—that Hornby Trains are the best, strongest, and most efficient model trains in the world. Ask him to buy you one of these famous trains.
