# BETTA BILDA

The Airfix Betta Bilda range. Five sets covers all ages in the junior market. In addition there are over twenty different accessory packs—each one a must for young builders as they grow more ambitious.

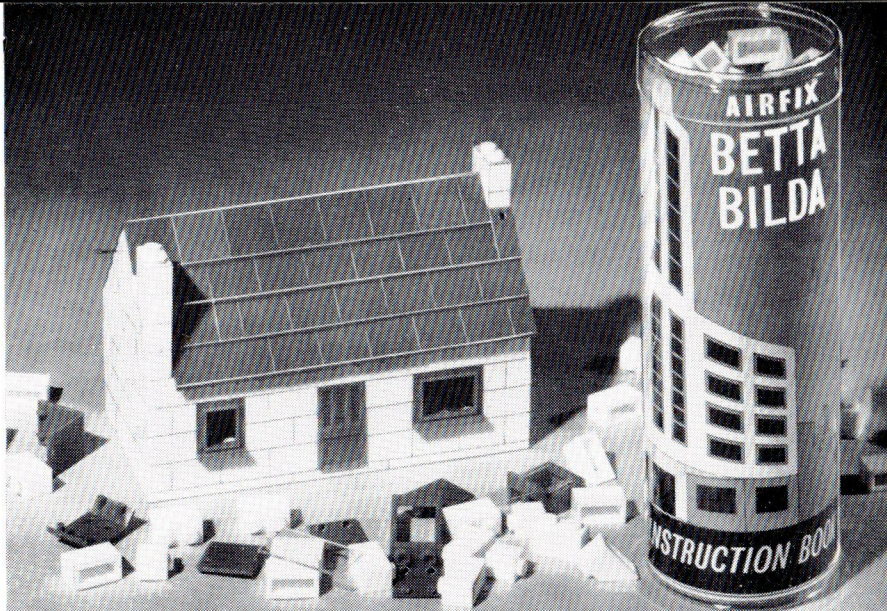

### **BETTA BILDA STARTER SET**

This starter set contains over 170 tough plastic pieces. It's extremely popular with the very young and serves as an excellent introduction to the bigger sets.

**Ref: 4495**

### **BETTA BILDA NO. 1 SET**

Over 350 colourful plastic pieces go to make the variety of buildings possible with this popular-priced Betta Bilda set. Complete with easy-to-follow instruction book.

**Ref: 4500**

### **BETTA BILDA NO. 2 SET**

As children grow older, so grows their interest in the more ambitious Betta Bilda sets. This one, for example, has more than 650 pieces which make possible much bigger buildings and a far greater variety of them.

**Ref: 4501**

### **BETTA BILDA NO. 3 SET**

With over 1,050 pieces in this set, the budding young builders among your customers can really go to town. When they've made the tremendous range of buildings given in the instruction book, they can start designing a few of their own.

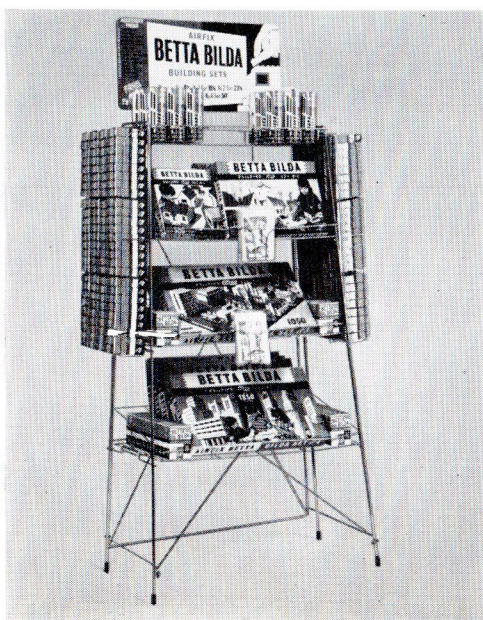

**Ref: 4502**

### **BETTA BILDA NO. 4 SET**

This is the latest and greatest Betta Bilda set from Airfix. It contains over 1850 pieces and offers tremendous scope for making an exciting range of large and small buildings. A set with great appeal to the young enthusiast.

**Ref: 4503**

### **BETTA BILDA ACCESSORY PACK STANDS**

Sell a Betta Bilda set and further sales automatically follow with the big range of over twenty accessory packs. To help you display these all together, special display stands are available for a small nominal charge.
