MONNOW I
MONMOUTH**

SHEET

THESE Ancient Buildings are
to be copied, but as examples of
what you are familiar with, in
able to use them for inspiration.

THIS fine Bridge was built in 1272
for the monks of Monmouth
Abbey. It was the only
English bridge to
be built in stone.
The bridge was
built on a high
ground, and the
road was built
around it. The
bridge was built
on a high ground
and the road was
built around it.
