## BASIC FITTINGS

Dear Friends !

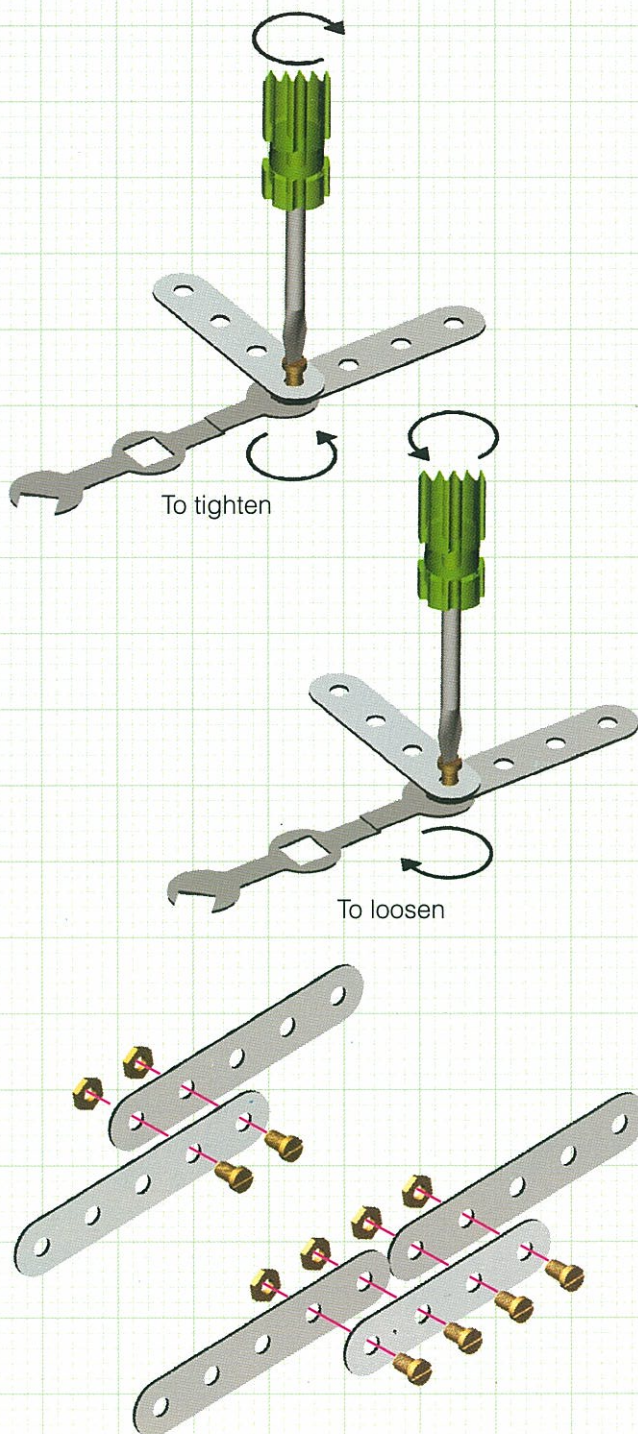

Zephyr brings yet  
another International class  
engineering set  
of Mechanix for you.  
To have fun & learn.

This set contains  
73 pieces,  
crafted from high quality  
Steel, which are powder  
coated, superior plastics  
&

selected tools  
which will be  
friendly to your  
little hands so that  
you have fun  
while creating  
various models.

You can use these parts  
over & over again  
to create at least  
5 models and  
may be many more  
as far as your  
imagination flies.

So come on get started!

*That fresh smile and laughter, giggles and chattering of the little kids are one of the most refreshing happiness that touches the heart. Like the cool evening breeze on the rise that refreshes the soul of a worked up being.*

*That is what Zephyr is all about and about quality, in the true sense of the word. Quality of play, quality of education and quality of product. We bring you a whole range of play and educational toys of international standards that undergo through the strict quality control of the Zephyr family itself. Our kits have won quite a few awards and Mechanix is our star set that has won "The Best Educational Toy" and "The Best Toy" award at the TAITMA. We do not do business, at Zephyr's we befriend children. A smile on your child's face is our gain.*

*love*
