MECCANO sets your child will be able to build many different technical machines. Meccano consists of many elements and can be used for many challenges. My friends are impressed by my MECCANO sets because I always manage to show pieces of the complexity of my models. It's not always easy to be building only one model, but because of the variety of parts, it's always fun.

Using METALLICO sets your child will be able to assemble a variety of machines and vehicles. The set provides hours of entertainment, while developing children's technical abilities. Metallico START makes beginning easy. These sets include more elements and can be assembled into complex, but also more flexible and versatile designs. I use my TALENT and skills for Metallico designs. My friends are impressed with my Metallico TALENT. Metallico EXPERT is sheer pleasure! The assembly is even more complicated but I can do it all myself. And the operation is simple - I can move many parts by turning only one lever. I've become a Metallico EXPERT.

Mit den METALLICO - Sets kann Ihr Kind verschiedene Maschinen und Fahrzeuge zusammensetzen. Die Sets bereiten viele Stunde Freude und Unterhaltung und entwickeln die technischen Fähigkeiten der Kinder weiter. Metallico START - garantiert den ersten Erfolg als Ingenieur. Diese Sets enthalten weitere Elemente und können komplex zusammengesetzt werden. Sie sind auch noch flexibler und vielseitiger. Ich nutze mein TALENT und Können für Metallico Modelle. Metallico EXPERT ist die reine Freude! Der Zusammenbau ist zwar komplizierter, aber ich kann es ganz alleine. Die Bedienung ist ganz einfach - viele Teile kann ich mit nur einem Hebel bewegen. Aus mir ist ein Metallico EXPERT geworden.

Utilizando los juegos de piezas METALLICO, su niño podrá montar una variedad de máquinas y vehículos. Estos juegos de piezas son un entretenimiento y, al mismo tiempo, ayudan a desarrollar los conocimientos técnicos. Metallico START es una garantía para el primer éxito en ingeniería.

Este conjunto de piezas incluye más elementos y puede completarse con diseños más complejos aunque más flexibles y versátiles. Yo uso mi TALENT y mi destreza con los diseños METALLICO.

Metallico EXPERT es un placer asegurado! El montaje es incluso más complicado, pero puedo hacerlo yo solo: y la operación es simple. Puedo cambiar muchas partes simplemente con girar una plancha. Me he convertido en un Metallico EXPERT.

Usando i set METALLICO il tuo bambino sarà in grado di assemblare vari tipi di macchinari e automobili.

Set METALLICO START: Una garanzia per una carriera di successo da ingegnere.

Queste confezioni includono più elementi che possono essere assemblati l'uno con l'altro, per un design più flessibile o versatile.

Set METALLICO EXPERT: E' un piacere! L'assemblaggio è ancora più complicato, ma posso farcela da solo. L'operazione è semplice posso muovere molte parti semplicemente girando una leva.

Sono diventato un esperto nelle costruzioni metalliche.

Avec MÉTALLICO, on peut réaliser différents types de machines mécaniques ou à moteur.

Set MÉTALLICO START: Une bonne école pour les futurs ingénieurs.

Cette boîte contient une grande variété d'éléments à assembler, et permet de nombreuses réalisations.

Set MÉTALLICO EXPERT: Le montage est encore plus technique, mais reste facile. Il permet la réalisation de véhicules et engins à moteurs téléguidés.

Je suis devenu un EXPERT de la construction métallique.

METALLICO stelt uw kind in staat een scala van machines en voertuigen te bouwen. METALLICO verschaft uren van ontspanning. Terwijl tegelijkertijd de technische vaardigheden worden ontwikkeld.

METALLICO START - een garantie voor het eerste bouwsucces.

Deze sets bevatten meer onderdelen en kunnen dus opgebouwd worden tot uitgebreidere en gevarieerde modellen.

Jk gebruik mijn TALENT en vaardigheden met metallico modellen.

METALLICO EXPERT is echt klasse. Het bouwen is nog moeilijker, maar toch kan ik het zelf. Zonder hulp.

En het is een makkelijk systeem - i kan vele delen in beweging zetten door middel van een hendel.

Jk ben een METALLICO EXPERT geworden.

Usando os jogos METALLICO a vossa criança poderá fazer várias máquinas e veículos. Os jogos entretem as crianças durante horas e desenvolvem as suas capacidades técnicas.

METALLICO START - uma garantia de engenharia bem sucedida.

Estes jogos incluem mais elementos e podem formar um complexo em conjunto, com desenhos mais versáteis e flexíveis.

Eu uso o meu TALENT e habilidade nos brinquedos METALLICO.

O METALLICO EXPERT é puro prazer! O conjunto é ainda mais complicado mas posso fazê-lo eu próprio. E a operação é simples - Posso mover várias partes.

Tornei-me num METALLICO EXPERT.

METALLICO - mladi konstruktor razvija spretnosti in s pravim orodjem izdeluje najrazličnejše stroje. Ure zabave v svetu tehnike in domišljije. Za prve uspehe - METALLICO START.

Elementov je več in konstrukcije so zahtevnejše. Stroji delajo, vse se premika. Postajam pravi mojster. Res sem METALLICO TALENT.

Kakšen užitek! Še bolj je zapleteno in še več znam. Samo ročico premaknem in vse me uboga. Postal sem METALLICO EXPERT.

Genom att använda METALLICO'S SET kommer ditt barn att kunna montera olika maskiner och fordon. Setet ger timmar av underhållning medan barnen utvecklar sin tekniska förmåga.

METALLICO START - är en garanti för de första mekaniska framgångarna.

Dessa set innehåller många möjligheter och kan monteras till komplex, men man kan också bilda mer flexibla och mångsidiga modeller.

Jag använder min talang och skicklighet till Metallico designs.

METALLICO EXPERT är ett rent nöje! Monteringen kan vara komplicerad men jag klarar av att göra allt själv. Och hanteringen är enkel - jag kan flytta många delar bara genom att vrida på en växelspik/hävarm.

Jag har blivit en METALLICO EXPERT.

A járákot konstruktív készszégs fejlesztésre használjuk.

A TALENT készletek hat fajta dobozból állnak /TALENT 1-2-3-4-5-6/.

Minden egyes doboz fémépítő tartozékaiból 4-4 fajta, a dobozon látható szerkezet /gép, közlekedési eszköz, szélmalom/ állítható össze. Ezen kívül a gyermek technikai fantáziaja alapján egyéb szerkezetek is felépíthetők az alkatrészekből. A megvásárolt készlet bármelyik más TALENT készlet alkatrészeivel összeszerelhető, felhasználható.

A METALLICO alapkészletei a START 1-6 készletek, amelyek szintén technikai eszközök összeszerelésére alkalmasak, és összeszerelhetők a TALENT készlet elemeivel. Ezek kevesebb szerkezeti elemből állnak és áruk is alacsonyabb.

Kérjük vásárolja meg a TALENT 1-6 készletek, hogy gyermeke METALLICO szakértővé válhasson.

START 01-06
